INTRODUCTION

Akbar Abdullah, Editor

Hazrat Ameer Dr. Abdul Karim Saeed Pasha Sahib arrived in the United Kingdom during the latter part of May, 2009. The flurry of activities on his arrival started immediately. On the weekend of May 21, 2009, accompanied by Dr. Zahid Aziz, he flew to Sweden where they were joined by Br. Santoe, AAIIIL European Representative, to participate in an international peace conference as seen from the perspective of different world religions.

Europe is now hungry to learn the truth about the mission of Jesus Christ. Nowadays, frequent interfaith gatherings take place to voice the different religious beliefs about the life and mission of Jesus. While in Europe Hazrat Ameer intends to take full advantage by attending such gatherings to propagate the Ahmadiyya point of view on the truth and mission of Jesus by citing quotations from the Holy Qur'an and the Bible and basically from the truth about Jesus as promulgated by Hazrat Mirza Sahib.

About the participation of our delegates in the European Leadership Conference in Sweden, Hazrat Ameer wrote:

“There was full of Lahore Ahmadiyya presentation and we got to tell a lot about our movement at many forums and to many members who wanted to know.”

With reference to photographs [shown below] Hazrat Ameer said:

“These photos show the active participation by the members of our *Jamaat*.”

No sooner had he returned from Sweden that Hazrat Ameer left for Germany for a 10-day trip where Br Santoe and Muhammad Ali, *Imam* of the Berlin Mosque, joined him to deal with administrative and policy making matters pertaining to the Berlin Mosque. Hazrat Ameer also delivered a Friday *khutbah* and led the *Jumu'ah* prayer.

Jazak Allah, for Hazrat Ameer's commendable and fruitful visits to Europe. He is now back in the United Kingdom awaiting the start of the AAIIIL UK Convention. Meanwhile, he is meeting members individually with a mission to energize the UK *Jama'at*. *Alhamdollillah!*
